Overview

EXCELLENCE, a 2010 150' Richmond Tri-Deck Motoryacht is the largest built by Richmond Yachts and features 6 guest cabins in total sleeping up to 12 guests. Four luxurious guest staterooms are located below on the lower level can accommodate (8) plus a full beam master stateroom with King berth on the main. On the upper deck, you will find the sixth luxurious VIP stateroom with an office that can accommodate (2) additional guests or be the perfect captain's quarters. Five crew cabins accommodate up to (10) crew.

Elegant marble flooring adorns the vessel from the main deck entryway to all guest baths and the grand master stateroom bath. Intricate moldings framing overhead coffered areas are featured in the spacious dining and main salon areas. A stunning gold and white Murano glass chandelier illuminates the cabinetry for crystal and china and a divider cabinet with a pop-up TV screen and it glows at center stage above the dining table. Granite countertops, a central island, commercial grade stainless steel appliances, and an abundance of food prep area and cold storage make for an impressive gourmet galley.

A central stairway forward of the dining area to starboard leads to the upper deck pilothouse, owner's study, and skylounge as well as to the lower guest accommodations. Featured in the stairwell, a side-lit curved glass panel complements the sculpted waterfall theme located on the upper deck. Forward on the main deck enter the owner's suite through double doors into an intimate sitting area with flat panel TV.

Centerline in the owner's suite is a king-sized bed and via port and starboard doorways, his and hers baths. A large walk-in wardrobe can be accessed through a door in the port aft corner. A central foyer midship on the lower deck gives access to four guest suites, three with queen sized beds and the fourth with twin beds to accommodate all of your guests. For convenience, there is a refreshment cabinet below a hammered gold sink with two subzero refrigerator drawers and an ice maker in the lower foyer. A concealed service door located forward in the lower foyer allows crew to easily access guest staterooms in order to provide superior service to your guests while aboard.

Perfect for entertaining, the large main level aft deck features intricate teak woodworking with elaborate woodworking details highlighting the overhead and bar area. To provide an easier view off the aft deck, the Richmond designers have installed dual banquettes facing the stern, and the aft deck layout is reversed from the more common layout on most other vessels. Overhead air conditioning will keep your guests cool and comfortable while relaxing in front of the 46-inch swing down TV screen and for refreshments, they can access the refreshment center located farthest aft, complete with granite countertop, two refrigerators, ice maker and Teppanyaki grill.

The upper aft deck, perfect for Alfresco dining, features a gloss finished teak table that can accommodate 10. Guests will be comfortable even on the hottest Caribbean days with overhead air conditioning, gas grill, service bar and lounge chairs or chocks for securing an inflatable tender. The skylounge, just inside the upper deck, is perfectly outfitted for your guests' enjoyment. They can relax in comfortable inviting sofas while watching the large flat panel TV, pull up one of four custom bar stools to the full walk-behind bar or enjoy a game at the game table. Forward you will find the owner's study with beautiful beveled glass French doors, desk and credenza. Forward of the central staircase, the wheelhouse with impressive vertical windshield enhances the 9'1" domed overhead arrayed with fiber optic lights resembling the night sky. A leather-topped console houses a six-screen navigation display and two Stidd helm chairs and a raised lounge that accommodates six provide comfortable seating. A VIP suite with a queen berth and ensuite bath adjoins the pilothouse offering outstanding port side views and can also serve as the captain's cabin.

The sun deck was designed with EXCELLENCE in mind. Forward, the jetted hot tub between raised sun pads offers complete serenity for your guests. Shade is provided by a large composite hardtop overhead a semicircular bar, five fixed barstools, day head and curved settees. Richmond Yachts excelled when to the far aft they designed a helicopter pad surrounded by fold down

railings for touch and go operations as needed. Crew quarters are accessed by a stairway from the galley and are forward on the lower deck where you will find a double berth stateroom which can serve well as the captain's cabin and also two twin bunk ensuite staterooms. Two washer and dryers in the laundry/utility area and a large mess for the crew offer comfortable accommodations and located aft is an engineer's cabin with easy access to electrical equipment and machinery along with wetsuit locker and tank storage in the dive center.

Main Salon

The luxurious main salon is perfect for entertaining guests. Custom etched glass illuminates the coffered ceiling. Exquisite marble floors and custom carpeting can be found throughout. With custom sofas and armchairs, two beautifully designed cocktail tables and electronic window treatments, elegance abounds throughout the lounge. Custom built glass and stainless-steel sliding doors with automatic sensor lead the way to the large aft deck.

- Custom mahogany veneer joinery w/custom molding framing throughout vessel
- Custom cabinetry throughout vessel w/rounded bombe-style door fronts
- Custom Ultrasuede L-shaped sofa & sectional
- (2) Custom Ultrasuede oversized club chairs
- (2) Mahogany coffee tables, (1) glass top coffee table
- (3) Round end tables
- Oversized panoramic windows w/custom electric Roman shades
- Custom coffered soffit illuminated by a custom etch glass lighting
- Custom carpeting throughout w/marble flooring from main deck entryway to master forward
- Custom stainless-steel sliding door w/sensor
- Custom built-in mahogany storage cabinets, port & stbd
- Custom wall scones, port & stbd

Separating the formal dining area and the salon, the entertainment center is equipped with the following:

- Hi/Lo lift for the flat panel TV
- Sony Bravia 50" LCD TV
- Pioneer VSX21
- TXH tuner/amplifier
- Audio/visual receiver
- Direct TV HD receiver
- Kaleidescape movie OnDemand server
- Wii Game Station

Dining Area

The custom powered drapes along with the woodwork and moldings in the ceiling are showcased with custom crown molding throughout the salon and dining area. Capable of seating 12 guests comfortably, the custom inlaid mahogany dining table, forward of the main salon, is accented by a buffet for crystal, stemware and china and stunning Sapele and Pomele woodwork. Over the dining table, you will find a majestic white Murano glass chandelier with a lovely French gold finish. The galley can be accessed by a convenient automatic door and is equipped with a camera monitor that allows the crew to easily view and accommodate any dining need a guest may have.

Mahogany Burle wood dining table

(10) Burle wood dining chairs

Master Stateroom

The grand master suite is located forward on the main deck where you will find the master stateroom and owner's sitting area. The built-in entertainment system in the sitting area boasts a Kaleidescape system, satellite receiver, tuner/amplifier and a 46" Samsung LCD TV.

In the center of the master stateroom you will find the king size bed centered in the room and on port, a vanity and dressers. Next to the vanity is a His and Hers cedar lined walk-in closet. Hidden away in the cabinetry across from the bed is another full entertainment system with 46" Samsung LCD TV for the owner's enjoyment. Adding to the elegance of the suite are custom electronically controlled window treatments and draperies.

- Kingsize bed w/storage drawers below berth, custom spread & shams
- Custom upholstered headboard, framed w/mahogany
- Custom mirror on forward bulkhead
- (2) Built-in 2-drawer marble top nightstands w/table lamps
- Built-in dresser drawers to stbd
- Built-in desk/vanity w/drawers to port & desk chair
- Custom alcove above berth w/recessed lighting
- Built-in Entertainment center w/Samsung flatscreen 46" LDC TV, DVD, CD & stereo, aft
- (2) Leather reclining chairs w/end table
- Built-in cabinetry & bookshelves
- SubZero refrigerator drawers
- Double doors to foyer

Forward of the king size bed, the His and Hers bathrooms lined with onyx are separated by a glass onyx lined divider to allow for privacy. His comes complete with LCD TV, mirror and multi-head shower and steamer and hers features an LCD TV, mirror and large Jacuzzi tub for complete relaxation. Grace and elegance are evident with granite vanity tops, custom slab marble and granite flooring and luxurious pleated shades.

VIP Guest / Captain's Stateroom

Behind the pilot house to port, on the upper deck, you will find the VIP/Captain's stateroom featuring a queen size bed and an abundance of storage in built-in dressers and drawers. With a complete entertainment system, cedar lined walk-in closet, work desk, dressing area, a lovely ensuite bath with shower and a stunning panoramic view overlooking the port side, this stateroom is a true combination of elegance and comfort.

Guest Accommodations

(4) Guest Staterooms, Lower Deck

When you descend the stairwell from the main foyer to the lower foyer you will find a refreshment bar complete with SubZero 2-drawer refrigerator, ice maker, hammered sink with gold faucet and marble countertops. From the lower foyer, you will have access to four large guest staterooms, three with queen size beds and a fourth guest room with two twin beds. Each stateroom has a well-appointed ensuite bath with granite countertops, lovely marble floors and marble lined showers or tubs. For guest's enjoyment, all staterooms feature a built-in entertainment system with Kaleidescape movie on demand.

Crew Quarters

Crew quarters and lounge can be accessed from the stairs forward in the galley. LCD TV/DVD's and satellite receivers can be found in each crew quarters. The crew can easily service bedding and laundry in the lower guest staterooms through a convenient entrance/exit.

Crew Lounge

Leather seating and large table can easily accommodate 8 crew in the comfortable lounge. The lounge is equipped with LCD TV/DVD, satellite receiver, CD/Radio, Kaleidescape movie on demand and refrigerator/freezer.

Laundry Room

Also located in the crew quarters is a large ironing area and (2) full-size washers and dryers.

Skylounge

Enter the skylounge foyer from the main deck level through the elegantly lighted marble staircase. There you will have access to the skylounge area, office, day head, VIP stateroom and pilothouse. Custom leather bar stools compliment the majestic granite bar along with two leather sofas and chairs, a reversible card table and custom electric window treatments with Roman shades that adorn the three large fixed windows. The superb entertainment center featuring a 60" LCD TV, Kaleidescape movie on demand, receiver/amplifier and satellite receiver is sure to keep your guests fully entertained.
